About This Game

Kunoichi Rush is a single player, fast paced platformer, with a female protagonist. The focus is on evading, instead of confronting your enemies. Explore the nine continents and find all the hidden diamond caches to get the highest score! Journey through the world of Zaar. Find the Demon Cult that stole the Magical Orb from the Kunoichi clan and avenge your assassinated brothers!

Key Features

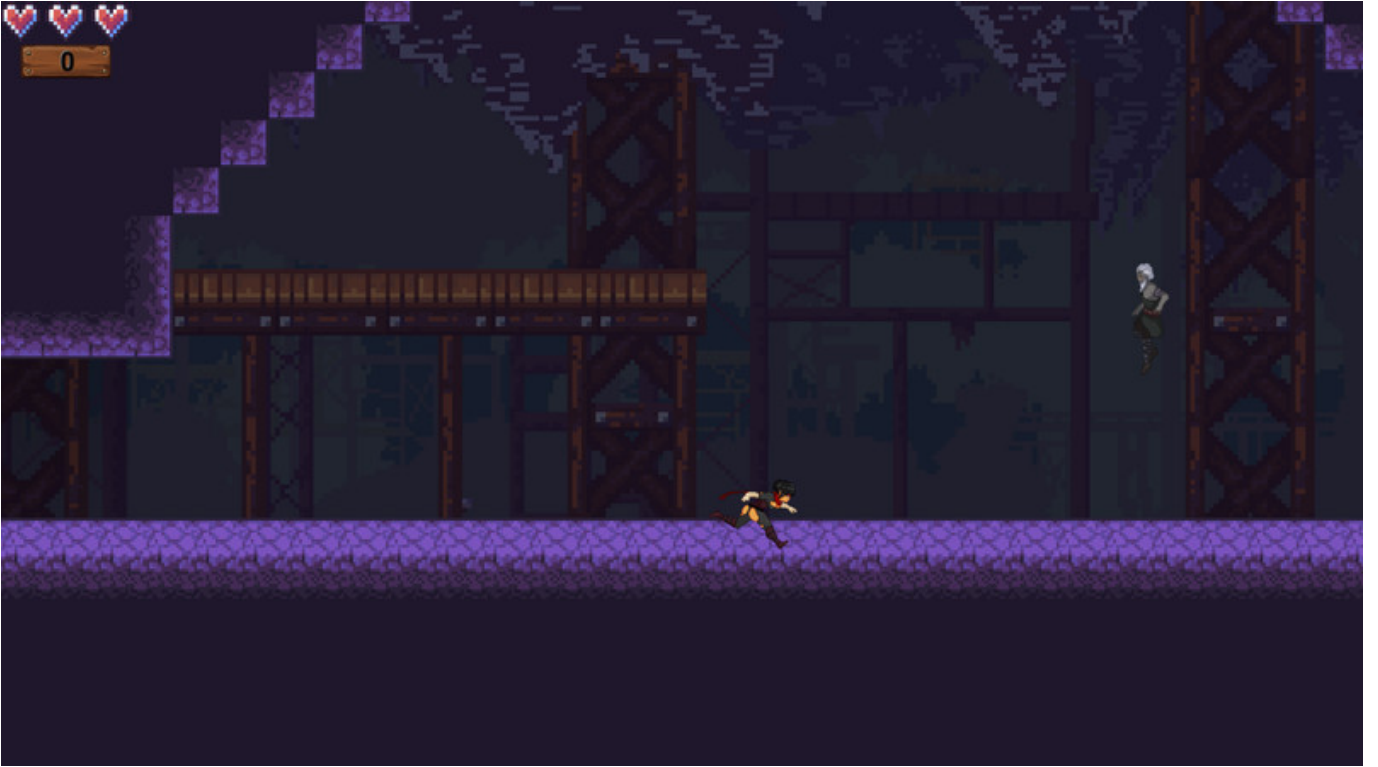

Kunoichi Rush is designed around quick level iteration, with defeat having little consequence and instead focusing on allowing the player to explore and fail at their own pace.

- Quick level iteration
- Defeat has little consequence
- Focus on player freedom of exploration
- Explore and master the nine continents at your leisure!
- Nine unique enemies to avoid, or confront
